RECIPROCI- CONDITIONS

Article 3:

Principles - Cooperative activities shall be conducted on the basis of the following principles:

- (a) Mutual benefit, based on an overall balance of advantages;
- (b) Reciprocal opportunities to engage in cooperative activities;
- (c) Equitable and fair treatment for the participants; and
- (d) Timely exchange of information that may affect cooperative activities

Article 4 - Areas of Cooperative Activities

- (a) Priority will be given to collaboration that can advance common goals in science and technological research.
- (b) The Parties may jointly pursue cooperative activities with third parties.

Article 5 - Forms of Cooperative Activities

- (a) In accordance with applicable national laws, the Parties shall foster, to the fullest extent practicable, the involvement of participants in cooperative activities under this Agreement with a view to providing comparable opportunities for participation in their scientific and technological research and development activities.
- (b) Cooperative activities may take the following forms:
 1. coordinated research projects;
 2. joint task forces;
 3. joint studies;
 4. joint organization of scientific seminars, conferences, symposia and workshops;
 5. training of scientists and technical experts;
 6. exchanges or sharing of equipment and materials;
 7. visits and exchanges of scientists, engineers or other appropriate personnel; and
 8. exchanges of scientific and technological information as well as information on practices, laws, and programs relevant to cooperation under this Agreement.
